The 2012 Yearbook is dedicated to:

**Lili
Zannotti**

**Administrative Assistant
in the Office of
Student Activities**

A few words from those who know her...

Lili,

This acknowledgment is a small gesture of thanks for all that you do in the name of student advocacy. Year after year you continue to be an invaluable resource to our students, their parents and the Assumption community as a whole. Thank you for all your hard work and dedication and the positive attitude you bring to your job each day.

**Eric Swindle,
Director of Student Activities**

Lili,

Although I have only worked with you for a short time now, you have already made such an impact on my life. You are a great person inside and out, and you truly brighten up our office. I can't imagine OSA without you. Thank you for all that you do everyday & thank you for just being you!

**Love,
Elyse Gauvin,
Graduate Assistant, Office
of Student Activities**

Lili Zannotti is the heartbeat of the Office of Student Activities. Lili always has a smile on her face and the time to listen to every student and co-worker no matter how busy her day is. She is always willing to help everyone out and we could not pull everything off as smoothly as we do without her. Thank you Lili for everything thing you do for the office, all the organizations, and students.

**Alex Paterson,
Assistant Director of Student Activities**

Lili,

"Every time you smile at someone, it is an action of love, a gift to that person, a beautiful thing." Whenever I see this quote it makes me think of Lili Zannotti. Her smile is contagious and is truly a gift. Every corner of this campus has been given this gift from Lili. The yearbook captures the memories and experiences of our students, and whether every student knows it, Lili is an integral piece to all of those memories.

Paul Belsito, Executive Assistant for Government & Community Relations

Lili,

You have become a second mother to me throughout the three years I have worked in OSA. The support you have given me through both the good and bad times has helped me tremendously throughout my college years. I do not know what OSA, the Assumption community, or more personally, what I would do without you here at Assumption. I love you and am so grateful for all that you do!

Kate Amante, Class of 2012

Lili is one of the most outgoing, loving, warm, energized people you could ever meet! Lili makes the hours at work fly by. When she's on vacation we count down the days to her return. She puts a smile on your face and makes you feel like you are one of her own children.

She is an awesome cook, a skilled Interior designer, a true friend, a loving mother and a great boss. She

is one of my most treasured memories at Assumption. I will never forget all the love, support and warmth she has shown me. I am truly blessed to have met her.

Serana De Silva, Class of 2012

Lili,

when my mom was too far away to get a hug, yours were just what I needed. Thank you for always encouraging, empowering, and most importantly entertaining me these past years. You have made a significant impact on my Assumption experience. Love you!

Emily Carr, Class of 2012

Lili,

You are one of the most amazing, energetic, wonderfully awesome individuals I have ever met. You make me feel so welcomed and loved every single day; you have no idea how much that means to me.

Thanks for being a great boss, a remarkable mother figure, but most of all, thanks for being an excellent support system.

Te quiero mucho!

**Love,
Crismel Calderon,

Stand Against Racism

"For It Isn't enough to talk about peace. One must believe in it. And It Isn't enough to believe in it. One must work at it."

Eleanor D. Roosevelt

"Racism hurts everyone and has had a profound effect on children and adults, our communities, and our institutions. Race and the legacy of discrimination continue to affect our lives – whether in our everyday interactions with others at work, school, or in the neighborhood" (www.StandAgainstRacism.org).

"Injustice anywhere is a threat to justice everywhere."

Martin Luther King Jr.

Assumption College is honored to be hosting its third annual Stand Against Racism. Students, faculty, staff, and administrators have all come together to show support for those who have ever faced persecution, hatred, or racial profiling. During the later spring months SAAC promoted and held a march for Trayvon Martin, a young African American who was murdered by an individual because of racial profiling. As a community we use critical intelligence, thoughtful citizenship, and compassionate service to empower our students and hope for them to "commit to a lifetime of promoting peace, justice, freedom, and dignity for all people in our community and in our world."

"I keep my ideals, because in spite of everything I still believe that people are really good at heart."

Anne Frank

*Quotes were taken from Stand Against Racism purpose statement and Pledge Against Racism which were adapted from the "Pledge to Heal Racism in My Life", Interfaith Communities United for Justice and Peace, April 10, 2006.

We Remember....

Alyssa

Nanopoulos

Class of 2012

"The life of the dead is placed in the heart of the living. Treasured in my heart you'll stay until we meet again some day..."

A few words from those who knew her...

"Alyssa was a very sweet, caring, and intelligent woman. Alyssa loved to spend time with her friends and enjoy being with others. I know that she played saxophone, but I unfortunately never got to hear her play. She really enjoyed playing Zelda games and her absolute favorite musical group was Evanescence. She enjoyed watching reality shows simply because they were stupid, yet entertaining. Alyssa was always looking out for other people and was involved in the ADAPT (Assumption Disability Awareness Promotion Team) group on campus. She was going to join the Operation Smile group on campus her sophomore year."

"Personally, Alyssa and I loved to feed the ducks by the Assumption College pond. We loved this so much that we even started to name the ducks. There were two specific ducks that were unlike the other ducks on campus. We named these two ducks Frederick and Lillian, they truly were two of a kind. Frederick and Lillian were so friendly that they wouldn't be afraid to walk right up to us and eat bread out of our hands as we pet them. There was tragic irony after Alyssa passed away; I went to go feed the ducks when I returned my sophomore year to find that Lillian wasn't there anymore and only Frederick remained. It was unfortunate that a lot of people at school didn't get a chance to really get to know her. The world truly lost an amazing woman the day that Alyssa passed away."

-Andrew Dexter, Class of 2012

"I will always remember Alyssa's spunky personality and giant fuzzy frog slippers. I still think of her that way, a kind, caring person who had a great big heart. You are missed each day. Thinking of you and your family on our graduation day."

A Letter from the Class President

Dear Class of 2012,

Time really does fly when you're having fun. I'm pretty sure I was moving into Salisbury basement yesterday. Awkward but ambitious, I was ready to take on the Assumption College campus. Weren't we all that way though? Once walking tall through the halls of our high school, the mystery of campus as new Freshmeat was sure to be an interesting one.

Looking back on these last four years our class has been through every sort of natural disaster, plus some, embraced the lack of trays at Taylor Dining Hall and spent all of our spare change on iced coffees. We have grown with each semester and each experience bettering ourselves and preparing for the world ahead. Know that we took all of those GenEd's for a reason...

Not only should we look back on these memories, but we should also take a good look at the person we have become. Something has changed in all of us, that's for sure. Assumption has made us stronger and more independent and has instilled a value set that will forever guide us.

We may be leaving Assumption College campus, but the memories made here are ones that will last a lifetime. Don't let the friendships and lessons learned slip away as we begin to embrace our lives as lawyers, accountants, optometrists, rehab counselors, or writers. Fall back to the nights with roommates and the sunny days on the Hagan lawn. We will always be Greyhounds.

YOLO,
Molly Pietrantonio '12

First Night Out

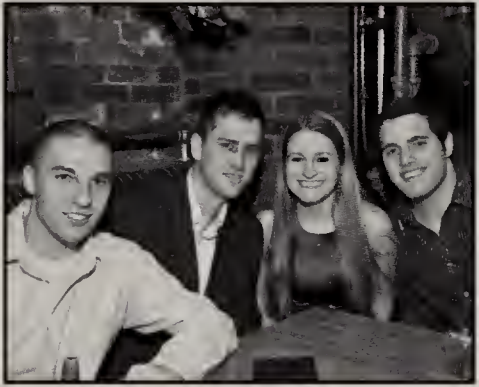

September 9, 2011

The Seniors celebrated one of their "First Nights" back at Assumption by heading to Jillian's Bar & Billiards Room for a fun-filled night of playing pool and catching up with friends about their summers. This was a fabulous way for the seniors to start their final year in college.

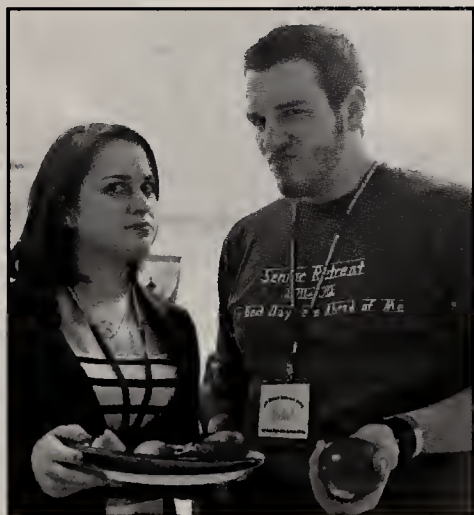

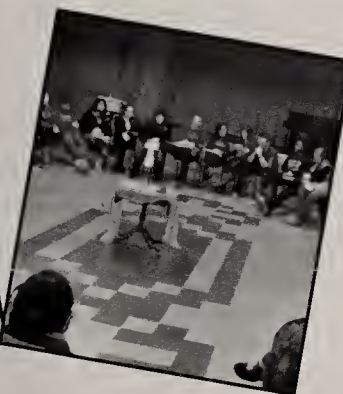

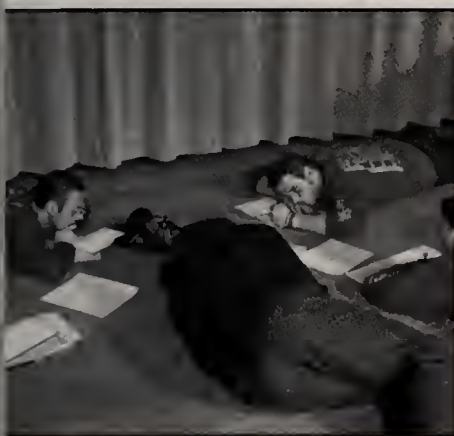

100 Days

Senior Retreat

February 17th & 18th, 2012

The senior retreat is designed by Campus Ministry to help students answer their questions about the end of college life and feel more comfortable with the idea of graduation. Similar to the START 1 retreat, it consists of small group discussions, witness talks, and reflection on the past four years. The senior retreat team is directed by two students on the Campus Ministry Core Team and consists of any student that has attended a START 1 retreat. The group in attendance included students who have been very involved with Campus Ministry as well as students that had little involvement throughout college. It was held at the Immaculate Conception Spiritual Renewal Center in Putnam, CT. By the end of the retreat, seniors had laughed, cried, and grown as graduation became a much more accepted concept.

Last Night Out

April 27th, 2012

The Seniors celebrated one of their "Last Night Outs" at Assumption College by heading to Jose Murphy's for a fun-filled night with drinking, eating and dancing with friends, roommates, classmates, and peers. This was a great way for Seniors to end their college career by celebrating on this last Friday night.

Senior Week

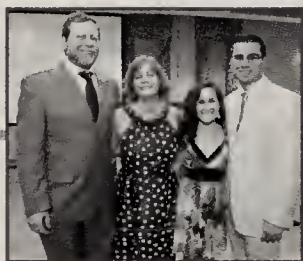

May 7th-May 11th

The Senior Class spent their last week at Assumption College in style. The seniors kicked off their senior week with a "Last Supper" in Taylor Dining Hall while watching a hilarious hypnotist. They spent the next day attending a faculty/staff luncheon and then they attended a fabulous night at Foxwoods, with events held at "High Rollers" and "Shrine". On Wednesday, the Seniors attended the first ever "Rodeo" on campus with a live band, endless bandanas and a night full of fun. On Thursday, the seniors were given the option to attend several different day trips/events and then spent one of their last nights dancing at the biggest event of the week, "GrooveBoston."

A Letter From The Yearbook Staff

Assumption College Class of 2012,

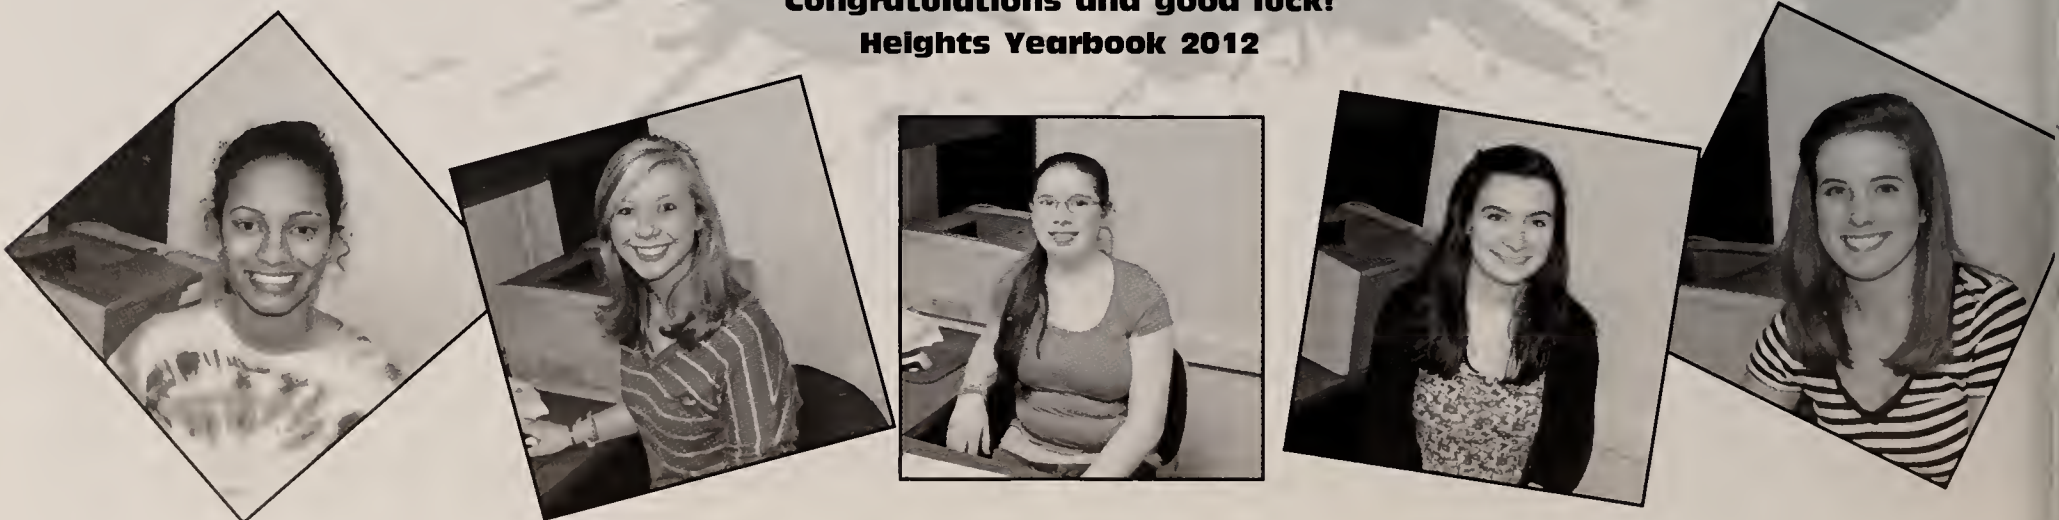

As a child, elbow deep in finger paints and worlds of your own invention, this day seemed impossibly far away. "Graduation" was nothing more than a word, an inconceivable event in the distant future. Yet here you are, doing what you had once thought unattainable. We congratulate you on your accomplishment. Life at Assumption has taught you much more than simple academic material. You have formed new, life-long friendships with people from different states and different backgrounds. You have learned to live with others and how to begin taking full responsibility for yourself. You have earned the knowledge that will allow you to continue on your chosen career path. You have learned time management - how to balance work and play. You have become involved in various clubs and programs to keep you busy even when you're not in class. You know all the secrets that make you a true veteran of Assumption College and you, your roommates and your friends have the stories to prove it. Perhaps most importantly, you have had the opportunity to learn who you are and who you want to be. All that is left is for you to discover who you will become.

The four years you have spent at Assumption College have been elemental in allowing you to build your personality and the beginnings of your future. We like to think that these are not the best four years of your life - the best is yet to come! Regardless of where you are in life, we hope that looking back through this yearbook will remind you of your starting point and give you the opportunity to reflect on how far you have come.

You may have reached one great milestone, but there is still a whole undiscovered world beyond our campus that you need to explore. What was once nothing more than the distant future is finally here and it's time for you to travel out into the world. Each of you has had a chance to develop your own beliefs and perspectives as a member of the Assumption College community. Now it is time for you to take what you have learned and use it to create the masterpiece you will proudly call your life. Share what you have learned with the rest of the world and be open to everything it has to offer you. You have the opportunity to make the worlds of your childhood become reality.

In the words of Pablo Picasso: "Every child is an artist. The problem is how to remain an artist once he grows up." We challenge you to remain artists with all the self-assurance and brilliance of a child and the understanding and talent you have developed as an adult. We have nothing but confidence that you will achieve more than you could have ever anticipated.

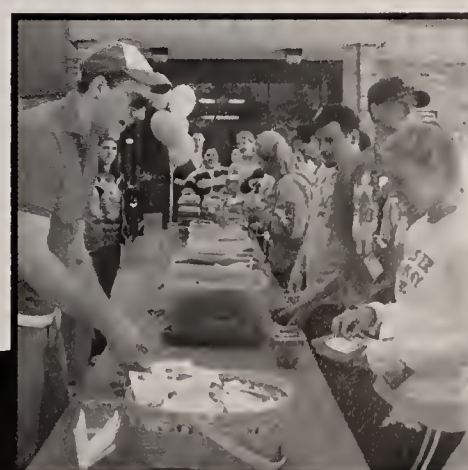

**Congratulations and good luck!

"If your actions inspire others to dream more, learn more, do more and become more, you are a leader."

-John Quincy Adams

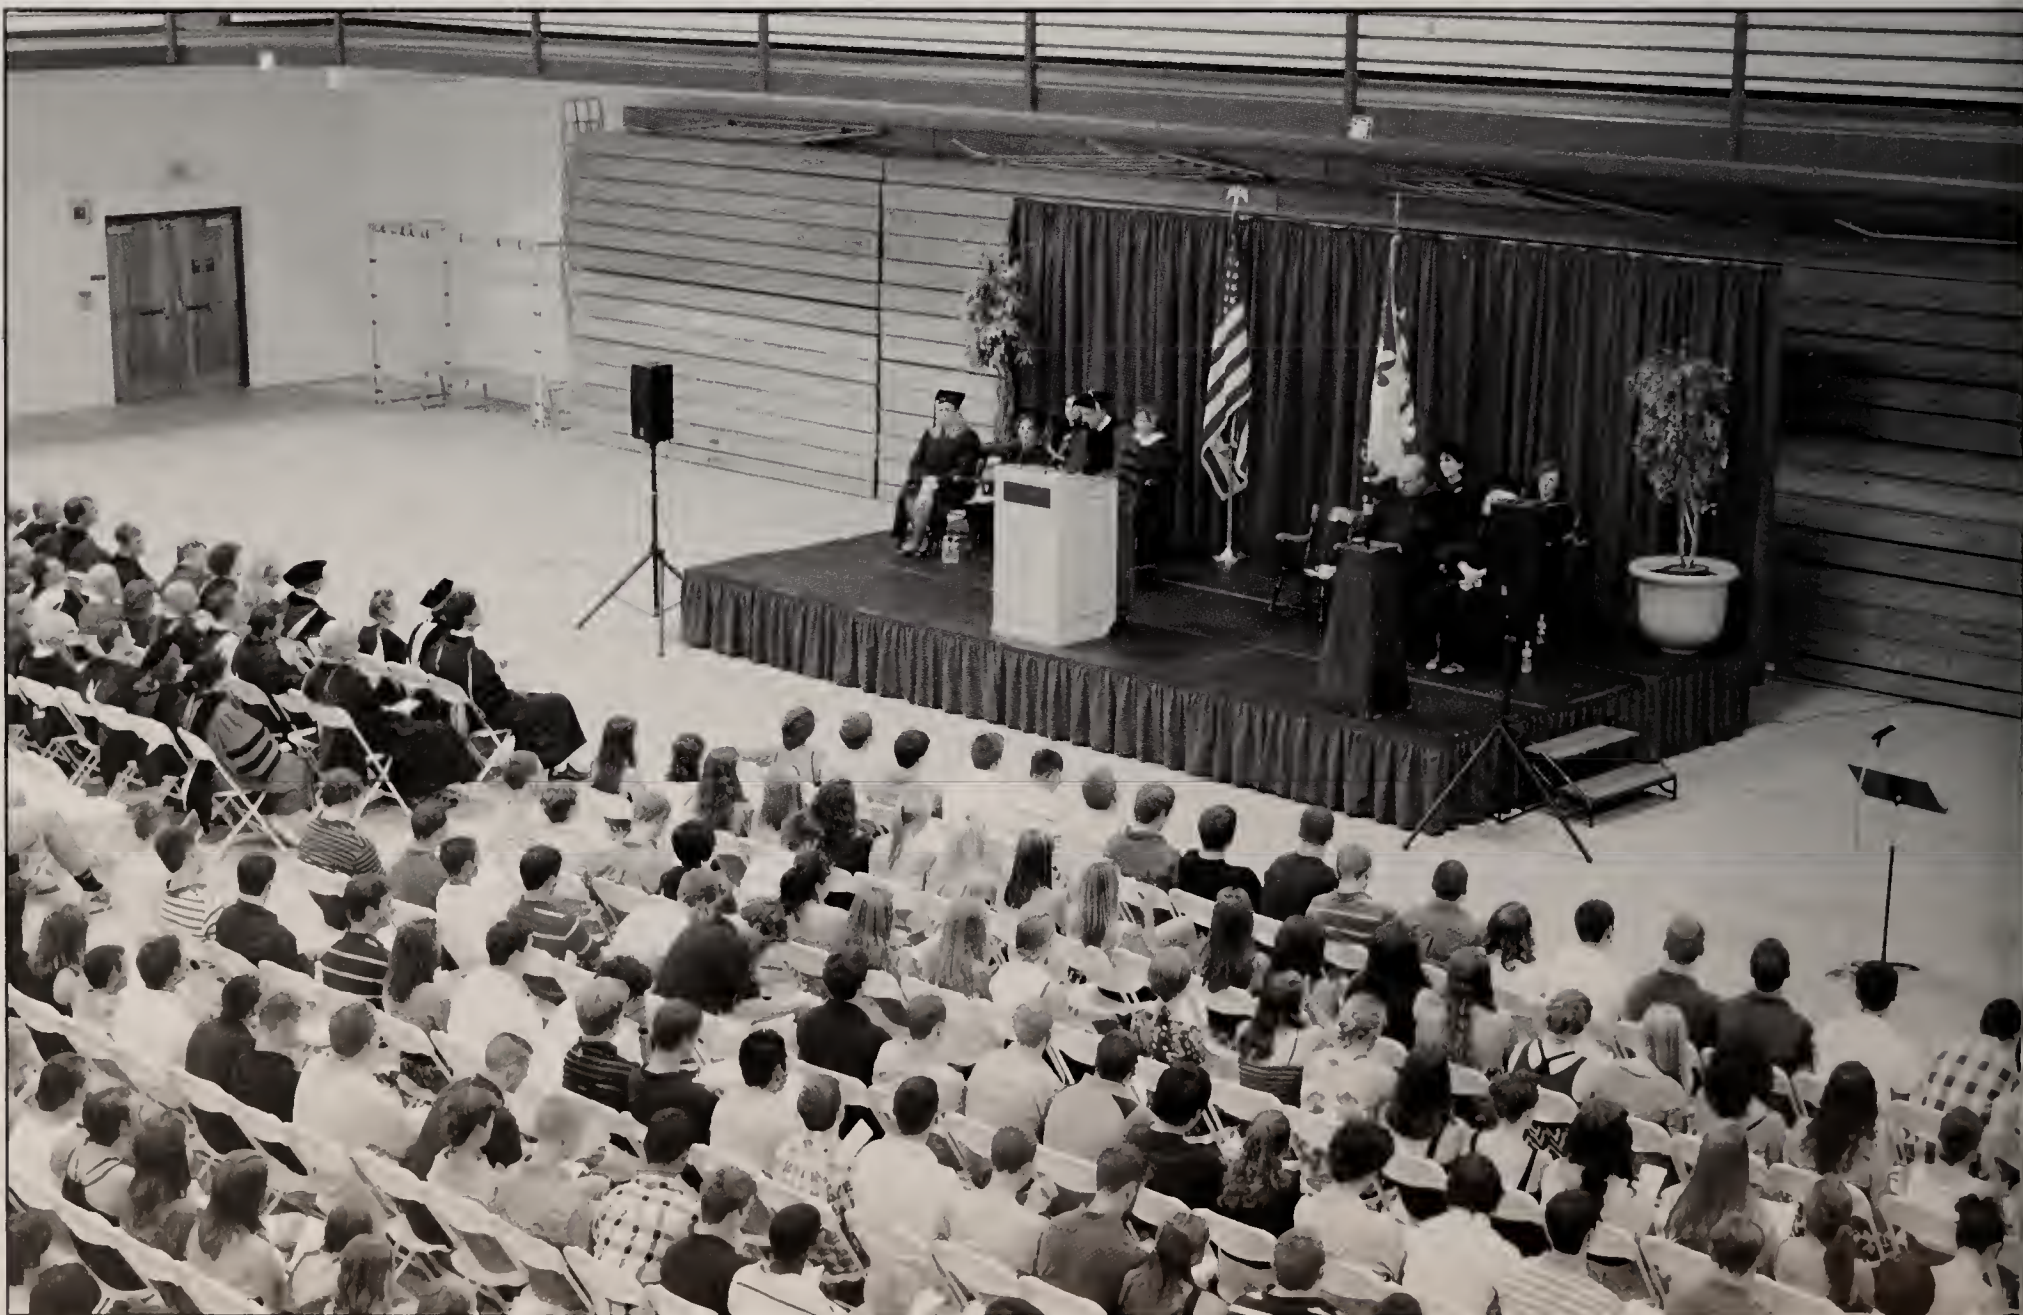

Orientation 2011

Nearly all students at Assumption College experience First-Year Orientation, a program that allows incoming freshmen to spend a night on campus and learn about what the college has to offer, including academics, spirituality, extra-curricular clubs and activities, and much more. The Orientation program was run out of the Office of Student Activities by Orientation Leaders, students who experienced a thorough interview process beginning in the second semester of the 2010-2011 academic year. The Orientation Leaders guided more than 600 students over three sessions of Orientation, allowing them to get acclimated to the college campus, to meet new friends, and to enhance the excitement of their college move-in in the upcoming Fall. Additionally, through extensive training and diligent teamwork, Orientation Leaders experienced much personal growth, making new friends and creating life-long memories out of experiences which they never thought they would have.

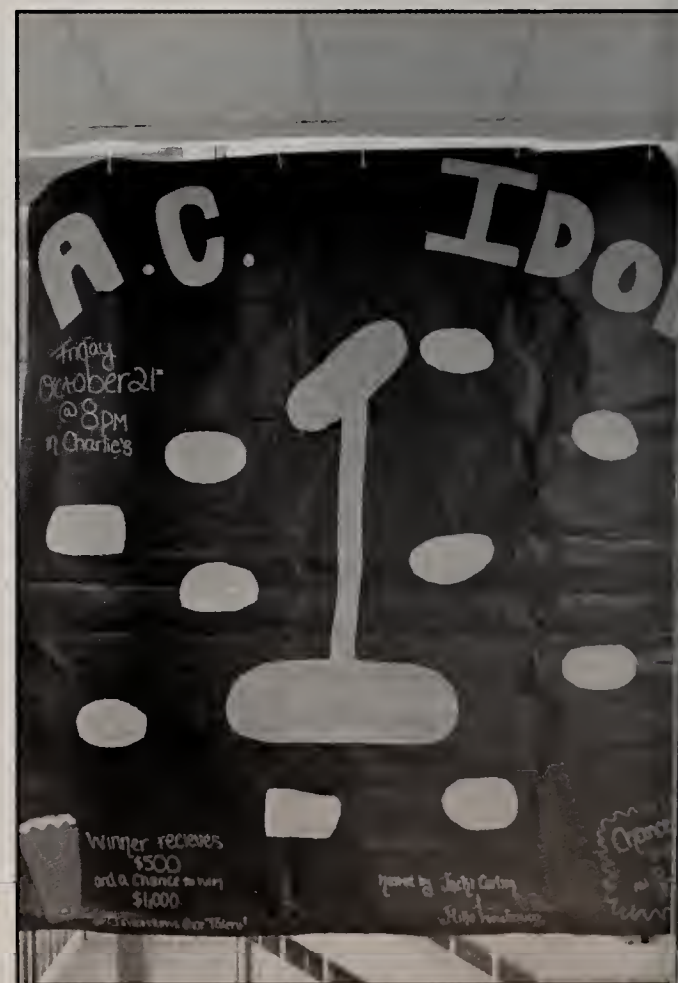

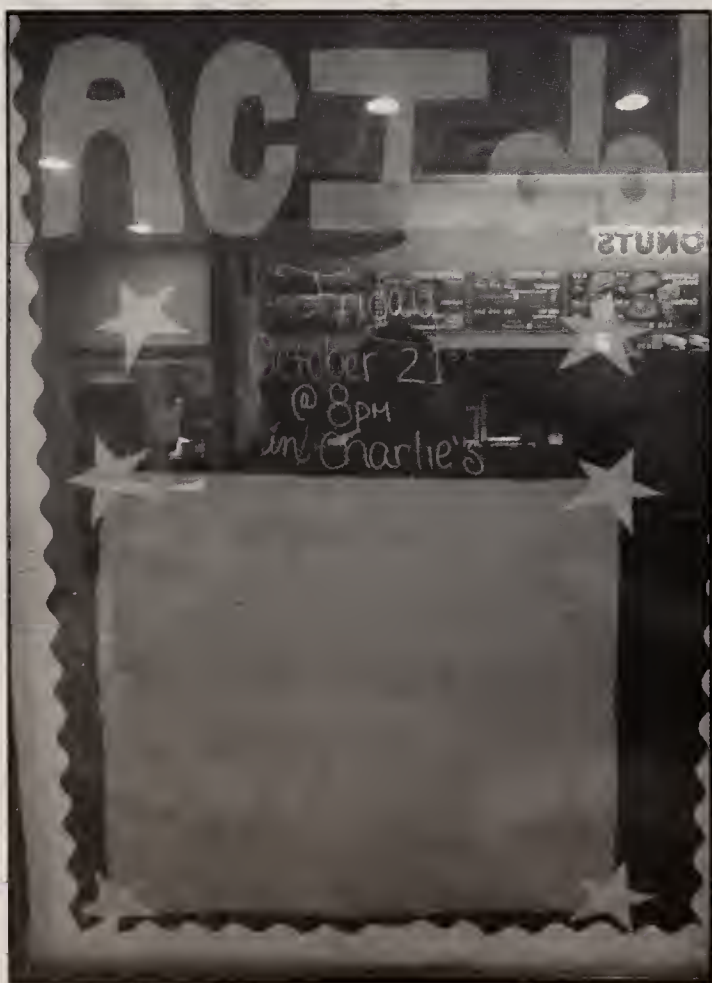

Matriculation Ceremony

Assumption College held its annual Matriculation Ceremony for the incoming students of 2015 on August 29th, 2011. Many colleges and universities celebrate the entrance of a new class with a Matriculation Ceremony that not only welcomes the class officially, but introduces them to the values of the institution and the importance of the academic journey upon which they have embarked. This ritual is often a defining moment of transition for new students as they begin their college career, as well as an opportunity for the faculty to not only welcome these new students, and to show they support and readiness to assist them along the way. After the ceremony, all students were invited to attend a campus barbeque.

AC Idol

Show your talent to AC students

On Friday, October 21st, 2011, Campus Activities Board held its annual Late Night @ Charlie's AC Idol event. Even though the event started at 8 p.m., students were already filling up seats at 7:15. It was time to find out who would be the next AC Idol. The stage was set, the lights were perfectly positioned and the microphones were in working order.

The contestants took their seats and the judges proceeded to their table. Students, both sitting and standing, went wild as the background music stopped and the lights in Charlie's dimmed. Some were part of an entourage and wore specific colors to support their friends while others were there to cheer on all the contestants.

Fall Fever

Fall Fever is an annual Welcome Back event that CAB hosts. It is a outdoor carnival for all AC students to attend. Cutouts of sports equipment covered the outside of Laska, balloons surrounded the entrance of Hagan Hall and Queen's "We Will Rock You" played over the speakers. It was a chilly, cloudy day, but it did not deter students from showing up in groups. They filled Hagan Lawn patiently, waiting their turn to make an airbrush basketball or to climb the rock wall.

Family Weekend

Assumption College celebrated its annual Family Weekend September 30th- October 2nd, 2011. It was a weekend of fun for Assumption Students and their families. The families of Assumption college students came together for a weekend of food, live entertainment, and games. You could have attended dinner, a women's field hockey game, bingo, and even a talent show.

Halloween

Halloween at Assumption is always fun, but students this year showed special devotion, letting everyone know that no bad weather could ruin their celebration. Every year students dress up in their best costumes and party both on and off campus. Students this year appeared as everything from Mario and Luigi to a box of crayons.

NEPTA

Assumption College hosted the 18th annual New England Peer Tutoring Association (NEPTA) Conference on Saturday, March 31, 2012. Over 260 peer tutors from 28 colleges and universities attended this day long event. 27 conference presentations were held throughout the day in which tutors presented to tutors. The Assumption College Academic Support Center tutors organized and facilitated the entire event.

Crazy, Stupid Love

Remember the ex-girlfriend who continued celebrating your anniversary long after you two had broken up? Crazy! Or your friend's boyfriend who dumped her butt via text? Stupid!

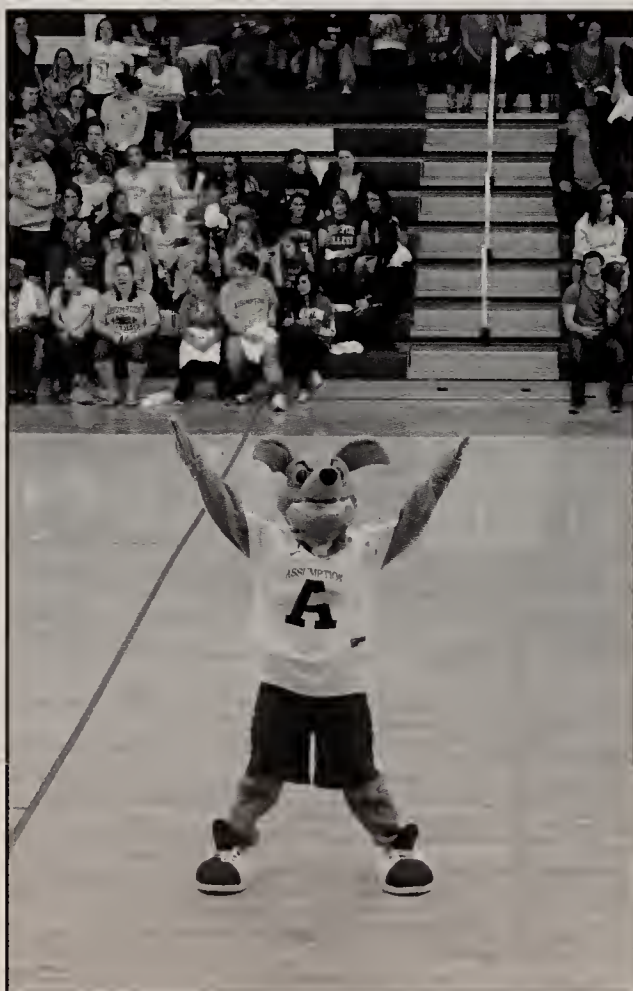

Yes, love can be insufferable. "Crazy Stupid Love," a dinner theater production was performed at Assumption College's Taylor Dining Hall on November 17, 18, and 19, and it certainly delighted students and the general public alike with fabulous entertainers and fantastic food.

Fall Semester Play

Midnight Madness

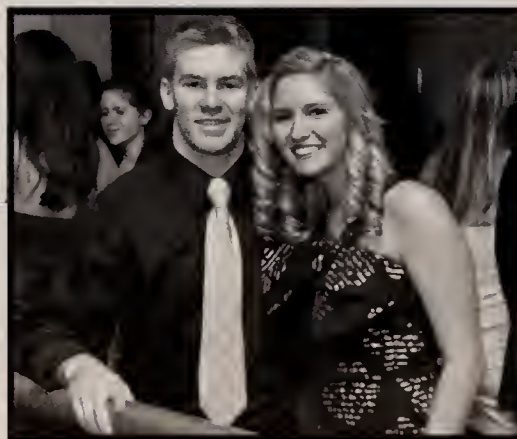

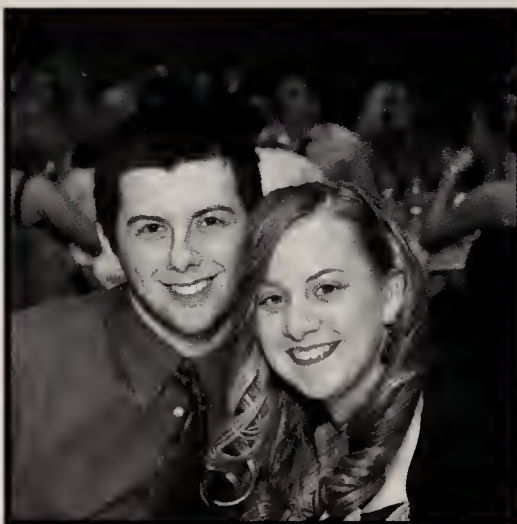

Screaming fans, flashing lights, free prizes and basketball. This is Laska Gymnasium during Assumption College's annual Midnight Madness. Each year, the Midnight Madness pep rally kicks off the official start of basketball season for the men's and women's varsity teams. Both teams anxiously await this rally. Valiantly dressed in their blue and white jerseys, the members of both teams look forward to this night every year.

Midnight Breakfast

As the end of the semester comes near, students get together for a midnight breakfast before finals and lots of studying. People stand in line an hour before just to get a free t-shirt. It's a night of laughs, eating lots of food, and relaxing before you need to buckle down. It's the last hooray needed for students before Christmas vacation.

Winter Ball

Walking in a Worcester Wonderland

The juniors and seniors attended the DCU on December 3rd. This night will be remembered as a "Worcester Wonderland" dance where snowflake ornaments with the student's pictures were given out as the favor. Students danced the night away in celebration of the fall semester coming to an end.

Christmas

The Assumption campus is filled yearly with lights and music to celebrate the Christmas season. Students celebrated by attending "Christmas in Charlie's" and other annual events. Many were also present at the popular Christmas Tree Lighting, to enjoy hot chocolate and cookies together.

Siblings Weekend

Yet another successful Siblings Weekend was organized by the Campus Activities Board. Assumption students are able to invite their siblings to participate in a weekend filled with fun activities like our Sibs Survivor Luau, Bingo, Ice Cream & Movie Social and much, much more. Siblings Weekend is a chance for siblings of all ages to experience life here at Assumption College. Siblings Weekend is an unforgettable experience shared by all those involved!

St. Patrick's Day

Green was everywhere on March 17th as students became Irish for the day to celebrate St. Patrick's Day. Students excited for the popular celebration visited various Irish pubs throughout Worcester, visiting favorite hot spots such as Leitrums, Mahoney's and the Boston Parade.

START 1

START 1 is one of the many programs run by campus ministry that provide students the opportunity to grow in their faith and strengthen their relationship with God. It is a 24 hour retreat for students to reflect on different aspects of their life. It is student-led and includes: talks by students, small group discussions, time for reflection, and opportunities for students to relax with one another.

-Patrick Keeley, Class of 2012

START 2

START 2 is the continuation of the retreat experience offered at Assumption College. For those who have attended START 1 and enjoyed the experience, START 2 is an opportunity to take another step, or "Continue the Journey". While START 1 focuses on community, START 2 is focused on the individual and their relationship with God. This retreat asks where one is in their faith and pushes them to go further.

This year's retreat was a great success with rector's Colleen Harrigan and Nicholas Frazier leading the way. The theme song was "Castaway" and the retreat tried to offer students, "the gift of a second chance".

While this retreat is much more faith focused, those on the retreat still shared in all the laughs and love that the START community never fails to offer.

-Nicholas Frazier, Class of 2012

SEND

The SEND program through Campus Ministry allows Assumption students to participate in a service trip during a college break. The trips have a variety of locations both international and within the U.S. as well as either a "Habitat for Humanity" mission or a "ministry of presence" exercise where students volunteer at multiple locations. This past year, the Winter and Spring SEND trips locations were Ecuador, New Orleans, Tuscaloosa, Immokalee, Baltimore, Pennsylvania, Camden, Trenton, and Washington D.C.

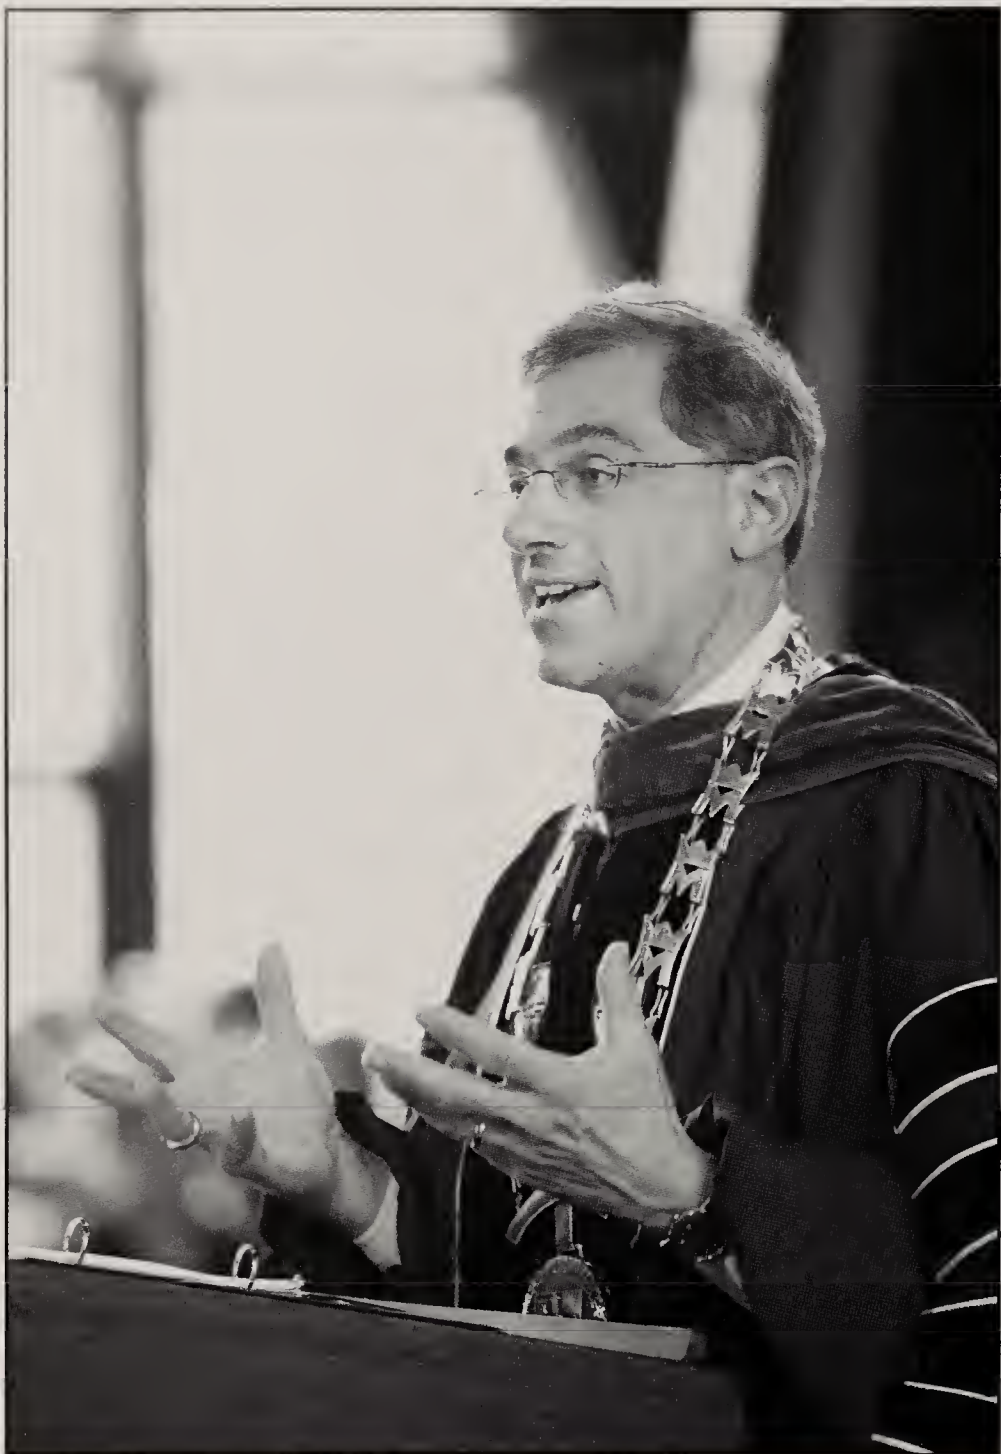

Spring Ball

A Night to Treasure

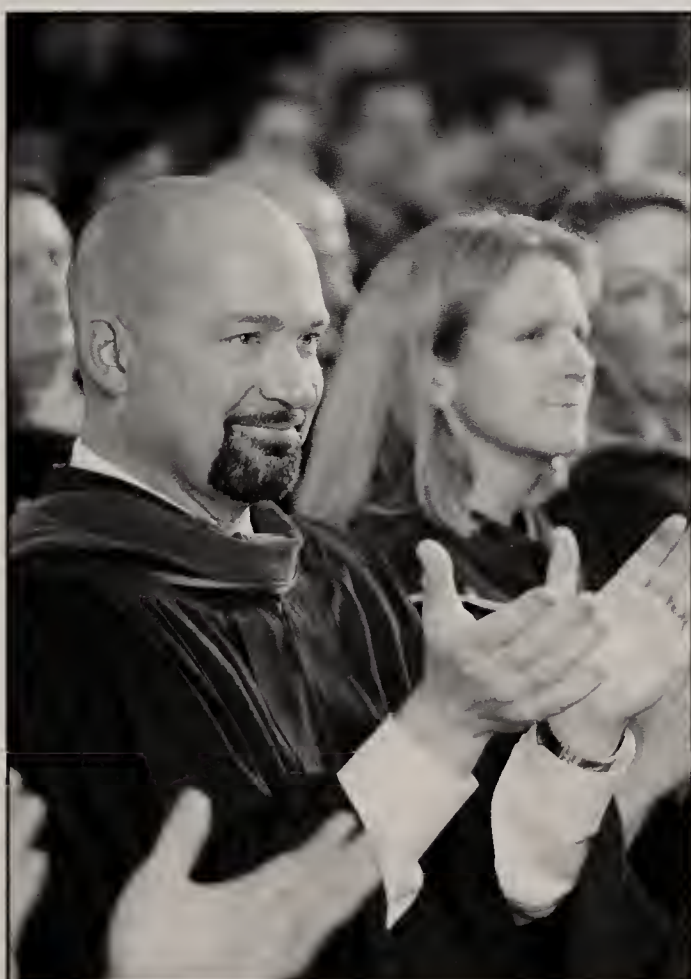

The juniors and seniors attended the DCU on March 23rd. This night will be remembered as "A Night to Treasure" dance where there were photo booth strips given out as favors. Students danced the night away in celebration of the spring semester nearing its end.

Honors Convocation

The Honors Convocation recognizes those students who have achieved outstanding academic success, as determined by the faculty of the 15 academic departments. During this ceremony, students received more than 50 departmental awards and scholarships. Daniele Caglioni, Nicole Carpenter, Allison Dixon, Marie Ebacher, Megan Evangelista, Sarah Falvey, Raphaele Fare, Rachel Hedge, Hannah-Lee Hillsman, Julia Jacques, William O'Neill, Katerina Reilly, Nicole Savi, and Laura Thompson were named as the new Augustine Scholars. This year's event was held on Monday, April 16th in the Chapel. Congratulations to these students for their hard work and incredible achievements!

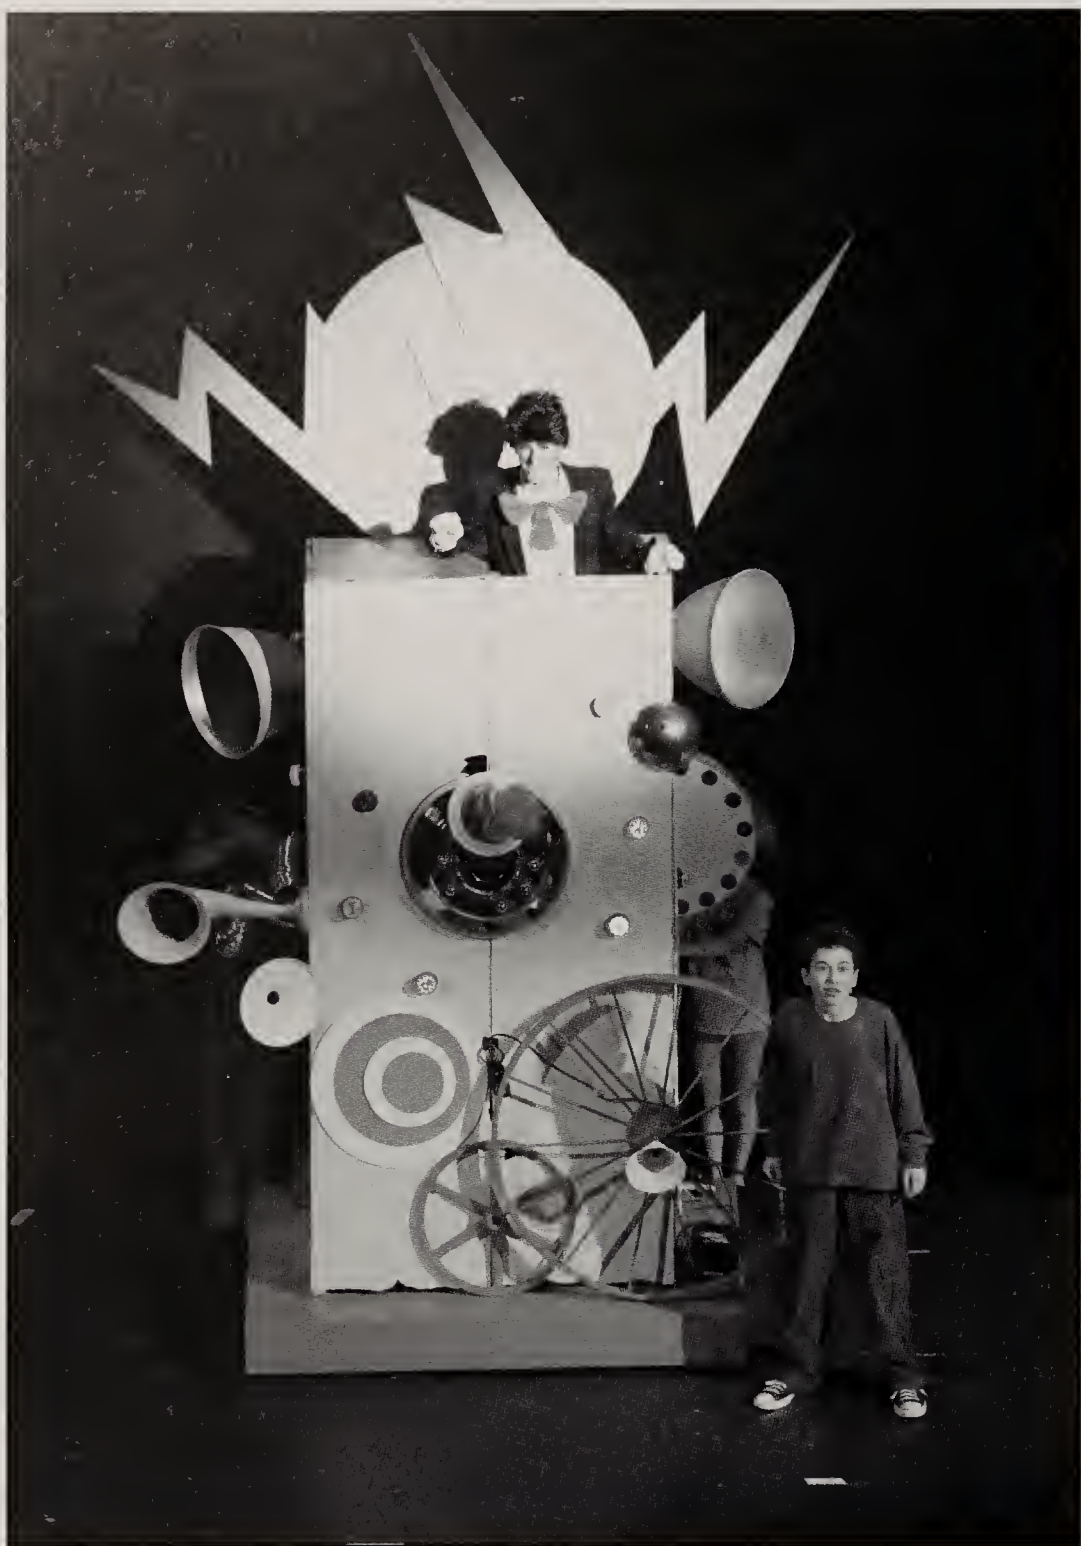

Duck Day

The Assumption College ducks were welcomed at the pond for the Annual Duck Day on April 12, 2012. It was a show when the ducks did not want to go into the water. Students, staff, faculty, and many elementary students with their duck hats were on hand to witness this return. At the event was duck cupcakes, and the drawing of two tickets for a Boston Duck Tour.

Spring Play

Seussical : The Musical

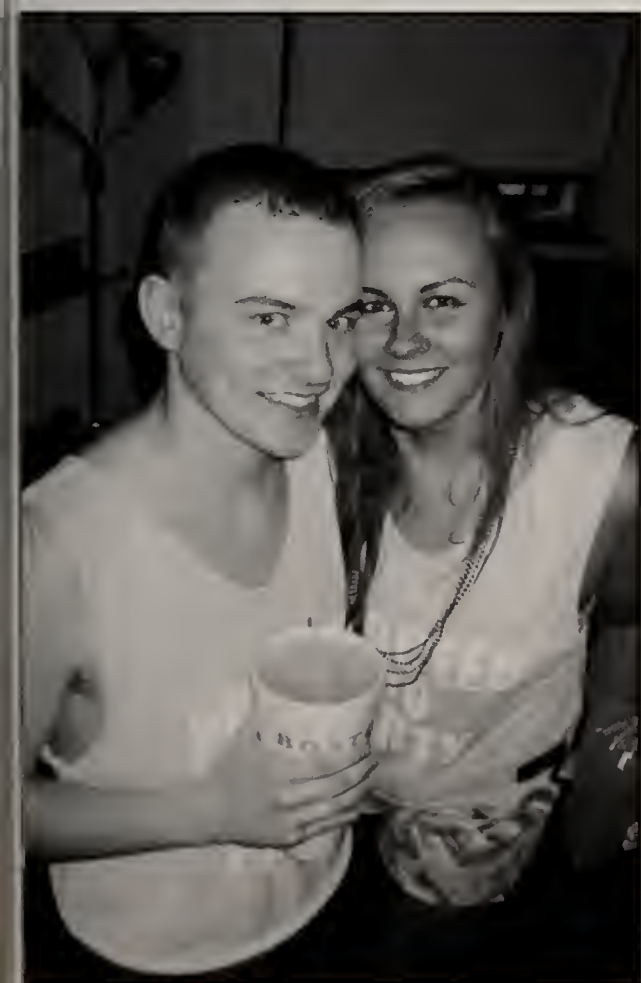

Between the colorful costumes and beautiful music, Seussical: The Musical was an amazing show. There were many great parts for Assumption students to showcase their different talents. As these performers will tell you, there is nothing like being about to perform with your friends before a huge audience.

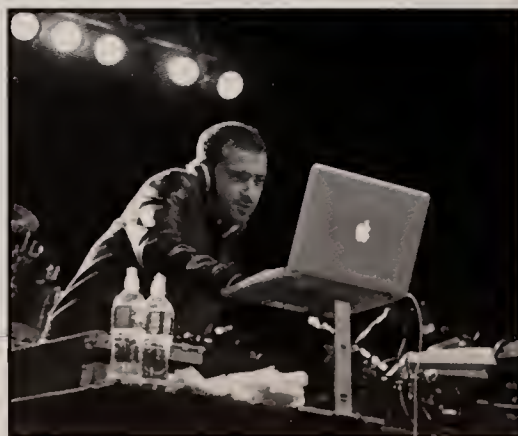

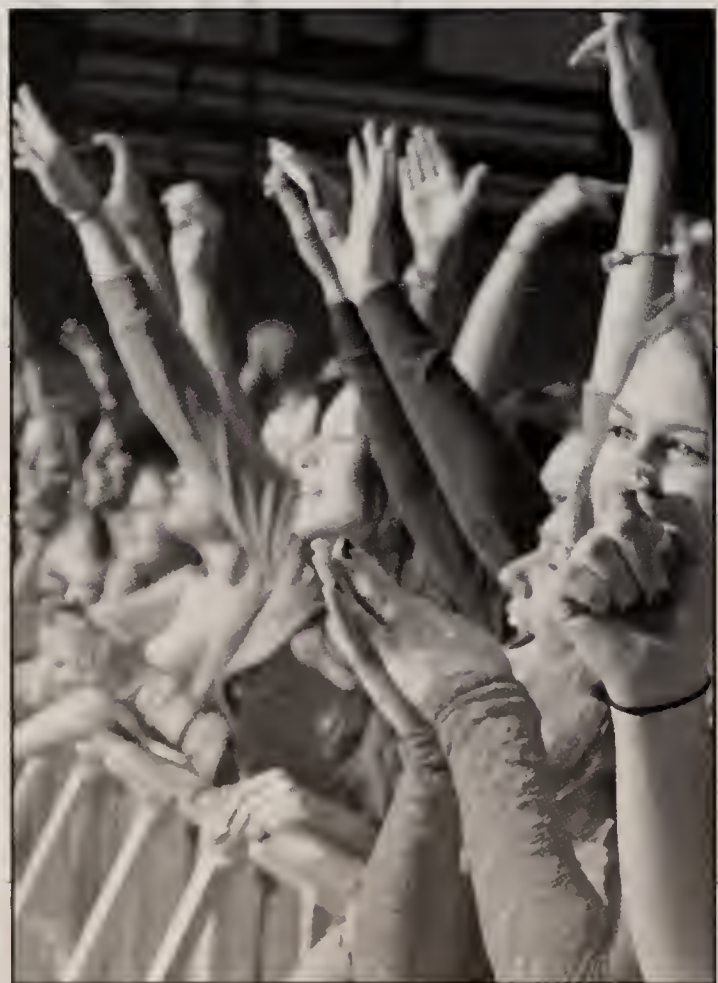

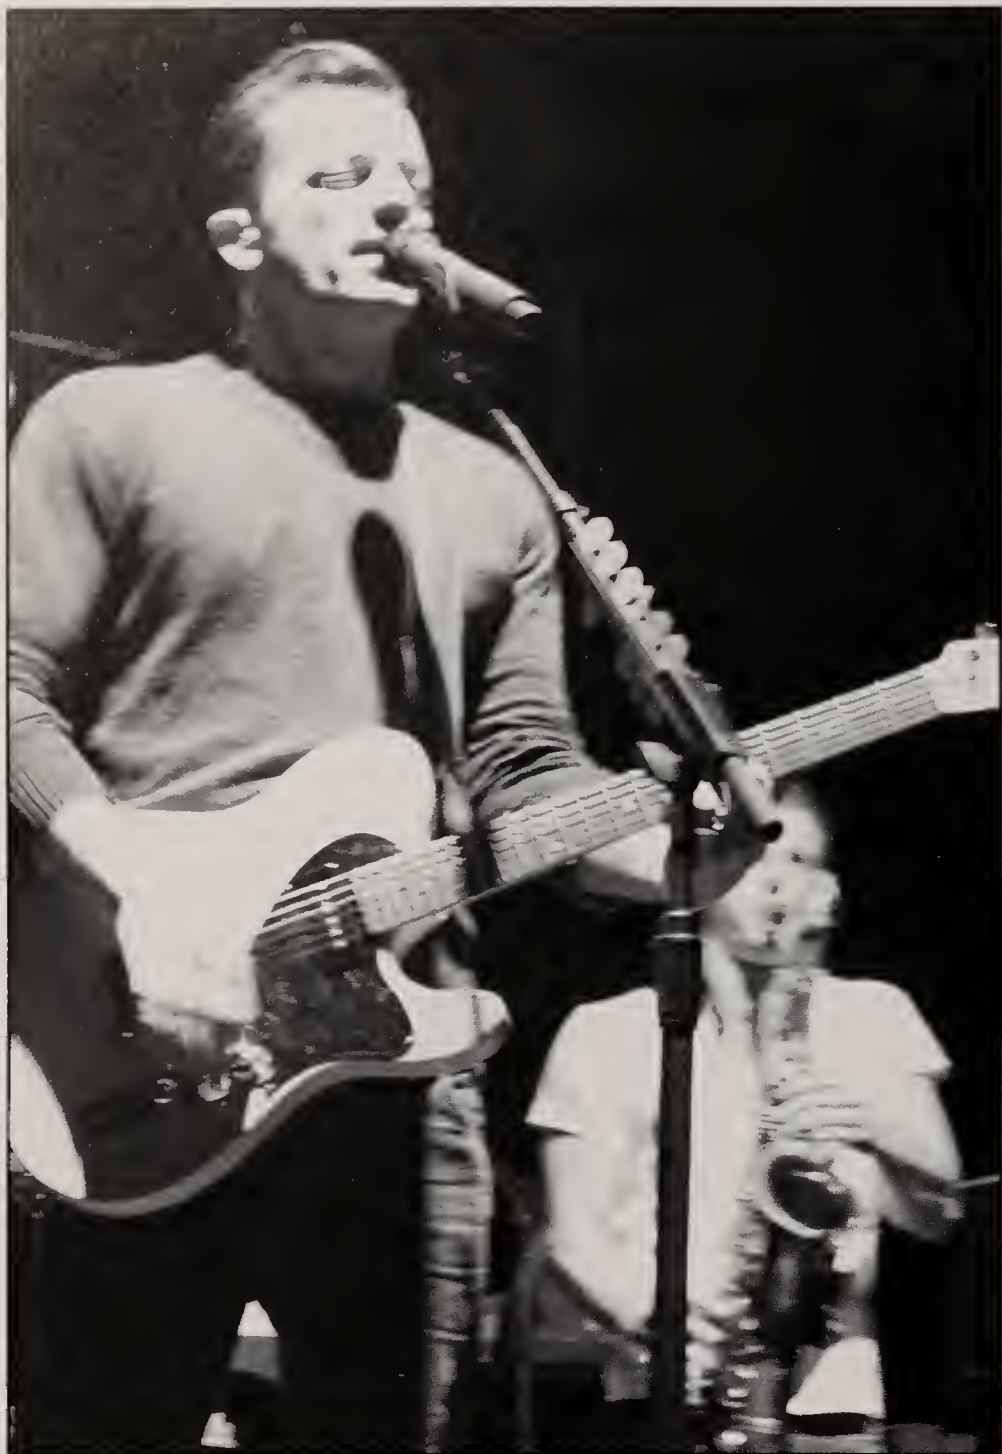

Seniors' Last Weekend

The Seniors spent one of their last weekends at Assumption College out in the sunshine before finals began and the underclassmen had their last moments with the seniors. It was filled with parties, games outside, and fun out on Hagan's lawn. It was the last chance to enjoy laughs and remember who was there for you and reflect on your four years of college. Many students got together and ordered special pinnies to wear with their close friends.

Spring Concert

O.A.R. featuring opener Timeflies

Over 900 students attended Assumption College's Spring Concert, which featured opener, and YouTube rap sensation Timeflies and headliner O.A.R. The crowd went crazy over original work and covers by both performers. Timeflies event created a freestyle rap all about Assumption, and later joined O.A.R. on stage. It was a breakthrough event for Assumption College and Campus Activities Board opening the door for future collaboration among different genres.

A Letter from the President

Dear Graduates:

Most of you arrived on the campus of Assumption College four years ago uncertain about what lie ahead of you. I am sure that you went from moments of anxiety to moments of excitement as you began this chapter in your life. Now, four years later as you come to the end of your college education, you may be experiencing the same moments of excitement and anxiety as you look into the future yet to unfold with all of its opportunities and challenges. Yet, you face that future as a very different person than when you first stepped foot on this campus. And while the uncertainties are surely there, you are prepared to meet the future because of the education you have been privileged to receive as a student at Assumption College. Through the efforts of the faculty, staff, and administration you have been exposed to a wide array of disciplines which have expanded your mind as you have considered new ideas, new ways of looking at the world around you, and new ways of questioning. Above all, we have sought to prepare you to think through your values and life as we have formed your mind, heart, and soul.

Regardless of your degree- whether in business, education, the sciences, the social sciences, or the humanities, your education at Assumption has been distinctive. Your education affirms a set of values grounded in the Catholic intellectual tradition. At Assumption we recognize that learning is sacred because in our quest for knowledge and truth, God reveals Himself and in that act of revelation we are transformed and, in turn, the world itself is transformed.

As you go forward from this place, it is my deepest hope that Assumption College has not only been a place where you have learned and developed to live successfully in society. Rather, it is my hope that it has also been a place where your values and beliefs have been formed and that you feel compelled to create a better world for all people. If that is indeed the case, then the College motto, "...until Christ be formed in you" has become a reality in your life.

Congratulations on your accomplishments and my sincerest best wishes for a successful future. God bless you.

A butterfly lights besides us, like a sunbeam
And for a brief moment her glory, her grace,
her joy and beauty belong to our world...

But then she flies on again,
and although we wish she could stay forever,
We know she can't but we are so thankful to
have experienced her beauty at all.

*We will always be here for you. We're so
proud of you!*

Congratulations!

ERICA HENRICKSON

There is a saying, "Those who communicate best are those who sing, and those who move with ease have learned to dance." You have done both and so much more. When you were young, and just learning to speak, you sang at the top of your little lungs. When you became steady on your feet you danced your little heart out. As you grew you refined those skills and so many more. During the past four year, you have practiced and mastered the arts of learning, loving, sharing, caring, and living with integrity. Now is the time for you to find your place and practice the art of living. You have become all that I ever Dreamed you would, and so much more. I am proud of you my daughter, my friend.

*I love you,
MOM*

Dear Alexa,
All of your hard work has paid off and we are so proud of you. You are very special to us and we love you very much. Congratulations on your graduation from "Assumption." May this be the beginning of many more wonderful milestones.
Love, Mom and Dad

"Your time is limited, so don't waste it living someone else's life.

Don't be trapped by dogma — which is living with the results of other people's thinking. Don't let the noise of others' opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary."
